Annual Gender Sensitization Action Plan

- Every stakeholder of this college tries to practise and promote gender equity and works towards mitigating gender disparity.
- Holistic development of our students, for transforming them into effective drivers of progressive social change in society, is focused on by us.
- The Women's Cell or gender sensitizing committee of the college is entrusted with creating more awareness amongst the students regarding the existing discrimination and disparities along with acting responsibly and collectively forgetting an end to such regressive practices.
- The cell works throughout the year for organizing varied programmes at various forms to promote gender equality overall and safeguarding the interest of the female students. Writing poems, essays on gender based topics by students are encouraged for wall magazine as well as college magazine.
