SYLLABUS

**Course Title: Legal Education and Emerging Rights in India
[50 Marks/2 Credits/60 Hours]**

Learning Outcomes (LO)

- Critically examine the constitutional and statutory framework of the Indian legal system with respect to Consumer protection and Cyber Security laws.
- Evaluate Consumer Protection related laws and responsibilities.
- Analyze the structure and functioning of grievance redressal mechanisms to foster legal awareness and civic engagement.
- Assessment of the evolving spectrum of digital vulnerabilities (e.g. malware, phishing, fraud and data breaches).
- Analyze cybersecurity regulations and frameworks, with a focus on national cyber laws, digital rights enforcement, and the criminalization of cyber offenses.
- Demonstrate technical skills in deploying cybersecurity tools and implementing consumer fraud mitigation strategies, preparing learners for drafting actionable policy.
